Re: Monthly Progress Report
Interstate Pollution Control/Roto-Rooter Superfund Site
Winnebago County, Illinois
SECOR Project No.: 61UN.05046.00.0004

Dear Mr. Wilson:

SECOR International Incorporated (SECOR) hereby submits this Monthly Progress Report for the above-referenced project on behalf of Interstate Pollution Control/Roto-Rooter Superfund Site Remedial Design/Remedial Action Steering Committee (Group).

A. Actions of the Previous Month

Completed the Engineered Barrier and conducted the Pre-final/Final Inspection. No "action items" were found during the inspection.

B. Summary of Sampling and Testing

Sample cores were taken from the asphalt.

C. Plans Completed in the Previous Month

No plans were completed this month.

D. Actions Scheduled for the Next Six Weeks

The Final Report is being written and will be submitted to EPA. The Final Report will include As-built drawings.

Installation of two off-site wells.

E. Percentage Completion

The project is approximately 99% complete.

F. Modifications to Plans

As-built drawings and corrected specifications are being completed.

Sincerely,
SECOR International Incorporated
